

Village Administrator

The Village of Holland, located in Lucas County, Ohio, is seeking a full-time Village Administrator. The successful candidate will be responsible for day-to-day operations of the Village; overseeing Police, Maintenance and Financial operations; zoning and planning commission activities; roadway improvements; and serving as liaison to the general public. A complete description of the position is available at www.hollandohio.com.

Salary based on experience and qualifications. Benefits include medical insurance, OPERS retirement, vacation and sick leave, and paid holidays.

Applicants should submit a letter of interest along with a resume, salary requirements, and a minimum of 3 professional references to Mayor Ryan Spangler at spangler@hollandohio.com

Requirements: Must have a bachelor's degree and/or five years of experience in business/public administration or related field. Additional education and/or experience is preferred in the operation of municipal government, accounting, management, zoning, street improvements, and grant writing. Applications will be accepted until the position is filled.
